

June, 2025

Dear Parents/Guardians:

As we look towards the 25/26 school year, we are sharing with you the Student Fees that could be required for your child.

Attached is a list of General Fees, Option costs, and Extra Curricular Activities that may be available for students to choose from. Please note Options and Extra Curricular Activities are for Junior High Students only.

The fees will be added to each student's Fee Sheet on SchoolZone in the fall.

Please know, we have done our best to determine the projected costs, they will be finalized in the fall. The fee should be the quoted amount, but will not exceed it. In the case that there is a small surplus at the end of the term, those dollars will be put towards the cost of a term end class treat.

In regards to Field Trips, please be aware that the cost of busing is shared between all students in that class, going on that trip - thus the fee can not be refunded in the case of a student's absence. If the vendor allows for refunds on specific admissions that are not used - we may be able to refund that portion.

Fees can be paid on SchoolZone using Visa, Mastercard, or the two step process of ETransfer. The office will also accept payment by Cash, Cheque, Visa, Mastercard or Debit.

If you have any questions about the information shared here, please feel free to contact the school.

Yours in Partnership,
Alex Janvier School

Alex Janvier School
Grades 4 - 9
